HOW TO FIX THE CAMCORDER ON THE HEAD

HOW TO FIX THE CAMERA ON THE HEAD

Quick-release plates mean you don't need to screw and unscrew your camera each time you want to put it on or take it off the tripod. The plate always remains attached to the camera allowing you to mount it quickly and securely onto the tripod.

PHOTO-MOVIE KIT

PHOTO AND MOVIES ALL IN ONE
Maximum freedom and control when switching between shooting photo and video. Fast and efficient for all applications, available in a stylish black or gray finish to perfectly match your camera colors.
